

Buy American To Save America

PO Box 871
Carefree 85377
United States

Phone: 5087262200

This is a HUGE movement to take back this country by taking back our power. Part of taking back our power includes withholding our hard earned money from the big corporations that do not share our American Values. We're voting with our dollars and taking a firm stand against those who seek to steal our freedom. Let's buy American to help Save America by hitting the enemy in their pockets. We can force a transfer of wealth from the elite to hard working Americans.
