

Wahoo's Fish & Wings

12306 Fondren Rd.
Texas 77035
United States

Phone: 713-729-3641

We serve American-style fried seafood and wings, Asian dishes, burgers, and seafood sandwiches. Everything is cooked fresh to order (no heat lamps!!). Our prices are reasonable, but our food quality is off the charts, thanks to Mama's incredible cooking skills. You can dine in or take out, and it's always best to call ahead. Come try us out. Our customers love us, and we think so will you!
